

## Will you join the Yellow Napkin Project?

Shangri-La's Yellow Napkin Project aims to increase our community's disability allyship through education and awareness that leads to actions that promote a more accessible and inclusive community. This year, Shangri-La aims to distribute 25,000 napkins.

How it works:

- Shangri-La will provide you with yellow, dinner-sized napkins at no cost to you.
- You decide how many napkins you want to distribute.
- Shangri-La will deliver the napkins to your business.
- Distribute the napkins to your customers throughout July or until your supply is depleted.
- Post at least once about participating in the Yellow Napkin Project on your social media.
- Shangri-La mentions you as a distribution partner in their marketing (social media, newsletter, webpage, etc.)

### **Register by June 18 to be a 2025 Yellow Napkin Project Distribution Partner**

Request Napkins:

- Online: <https://cetshangrila.typeform.com/YNP2025>
- Scan the QR code with your smart device

Shangri-La is a 501c3 non-profit organization helping individuals with disabilities and families with disadvantages reach their potential.
